CROSS-FUNCTIONAL TRAINEE PROGRAM

FEBRUARY 2016 – JULY 2017, PREVALJE, SLOVENIA

It is an 18-month cross-functional trainee program that offers young graduates an outstanding opportunity for career growth and development. It is a unique opportunity to gain first-hand knowledge and experience through rotations through different functions and locations within the Sandoz Group, a leading global company in the fast-growing generics industry.

WHO CAN APPLY?

Graduates with a University degree in Pharmacy, Chemistry, Chemical Engineering or any other relevant science, leadership potential, high mobility and flexibility, enthusiasm for teamwork and excellent communication skills, an excellent knowledge of English and a willingness to learn Slovene. Knowledge of other languages is an advantage. Relevant practical experience abroad and active participation in extracurricular activities are desired.

APPLICATION FORM

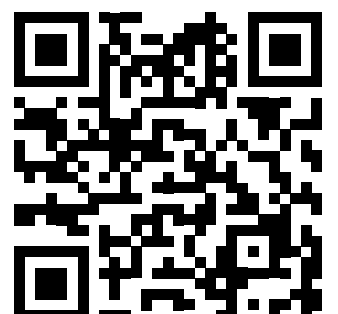

You can apply through Lek's career page: www.lek.si/careers, where you attach your CV, letter of motivation and recommendation letter.

Applications will open from **October 30, 2015** till **November 21, 2015**.

For more information, please visit: www.lek.si/boost-your-career
or contact us at: info.lek@sandoz.com.
